

LEGACY MEDICAL GROUP INTERNAL MEDICINE EMANUEL
2800 N Vancouver Ste 230
Portland OR 97227-1668
503-413-4340

December 5, 2017

Patient: Lena [REDACTED]
Date of Birth: 11/24/1950
Date of Visit: 12/5/2017

To Whom It May Concern:

Lena has severe pain and ulcerations in her feet related to foot deformities and damage from cold exposure. She would benefit from stable housing where she could keep her feet warm.

If you have any questions or concerns, please don't hesitate to call.

Sincerely,

Rebecca Corbett
